Recreate the Bank of America Shamrock Shuffle in your neighborhood!

For four decades, Shufflers have come together to enjoy a fun and healthy way to kick off the outdoor running season and continue Chicago’s St. Patrick’s Day celebrations. While we can't be together in person, we’re excited for a new take on an old tradition. Follow the steps below to bring the Shamrock Shuffle to life for your virtual race.

1. Plan your course route and designate a start and finish line

2. Use the signage examples as inspiration to create the environment for your experience

3. Print out the official finish tape and recruit loved ones to hold it up when you finish

4. Post photos throughout your experience using #ShamrockShuffle
